

Shop Late and Shop Local

As part of WINTERFEST we are inviting local businesses to participate in an event this holiday season that will help promote and encourage the community to shop local. This event is called *Shop Late and Shop Local* and is scheduled on December 17th & 18th, 2021.

Businesses that choose to participate will stay open later so shoppers can visit throughout the evening and shop till they drop. There is no better way to keep the businesses we have in the community then by keeping spending dollars local.

If your business would like to stay open late, please let us know by e-mailing romneywinterfest@gmail.com or contact

Sonja Embrey at 540-539-2273 or Loretta Spencer at 352-254-0675

Please include any special offers or great deals that you will include in this event.

WINTERFEST will post your information on our Facebook page and website.

Thank You and We Look Forward To Hearing From You.
