

# WINTERFEST IN ROMNEY CHRISTKINDL MARKET

*December 11th, 10 a.m. to 6 p.m.*

Welcome to the First Annual Winterfest Christkindl Market! We are excited to begin a tradition in Romney that will provide a foundation for the future; one that we can build upon year after year, creating warm memories and festive happenings that bring all of us together with family friendly events.

We are planning to replicate a traditional European Christmas Market, offering something different from the more typical Christmas Craft Bazaar that is familiar to us all. Traditionally held in the town square, a Christmas Market is a street market associated with the celebration of Christmas during the four weeks of advent. These markets originated in Germany and were called Christkindl Market, but are now held in many other countries. Christkindl Markets offer food, drink and seasonal items for sale from open-air stalls, accompanied by traditional Christmas Caroling.

We have a wonderful selection of vendors for you this year! Take a stroll through the market and choose from unique items such as one of a kind nativity sets, authentic vintage toys, hand poured Winterfest commemorative candles, beeswax ornaments, wooden ornaments, hand blended looseleaf teas and mulling spices, jewelry, and so much more! Hungry? We've got Brats, goulash, soft pretzels, popcorn, caramel corn, candies, German desserts, and funnel cakes. And don't forget the mulled wine, hot chocolate, and hot cider! Enjoy Christmas caroling by the honeybee community choir as you shop. There are no supply chain issues here! Come to our Winterfest Christkindl Market and support our local vendors.

Also taking place on Friday evening and all day Saturday will be sleigh rides around the town of Romney and a Christmas Parade on Saturday. The town will be lit up for the season with our Festival of the Trees that promises to be spectacular.
